INSPIRATION

As pioneers in the art of relaxation, Tommy Bahama represents our desire to escape the everyday and live life as if it were one long weekend. Bring that island state of mind wherever the breeze takes you and unwind into the Tommy Bahama way of living.

DISTILLATION

Cold Distillation is a gentle method utilizing the science of rotary evaporation - vacuum pressure separates the spirits from the solids - capturing every bit of volatile essence from a botanical. Final flavors are clean and fresh, unaffected by the heat of conventional Distillation. This technology captures the delicate flavor notes from all flowers, fruits, vegetables and spices. 100% Grain Neutral Spirits.

TASTING NOTES

A fresh mix of distinctive juniper berry, citrus notes of grapefruit and tropical hibiscus, soothing sweet cucumber and elderflower, finished with a dash of spice . . . delightful cardamom.
